

THE
INDUSTRY STANDARD
WITH MORE STANDARD FEATURES.

AD-464 – Industrial Strength Drying

Along with heavy-duty 460-pound capacity and innovative design, the AD-464 incorporates a laundry list of **standard** features that are costly options on competitors' machines.

- High production power burner
- Stainless steel basket
- Industrial roller drive
- Internal large capacity lint collection
- Automatic blower fan air jet
- Various tilt and door configurations
- Patented Sensor Activated Fire Extinguishing (SAFE) system
